## **What is 30 Day Money Back Guarantee?**

Centrolene Solutions is confident in the quality of Centrolene C-Quote and the work that we put into getting them ready for you to increase efficiency, streamline workflow and optimize the way you manage quotes from your partners.

With Centrolene C-Quote pricing tool, the manual work of seeking and analyzing prices is replaced by a streamlined and efficient system that gets you the prices you need quickly – and sometimes even instantly.

If Centrolene C-Quote does not work and our team of expert Support staff cannot solve the problem for you and your team, we will give you back your money without questions asked.

We assure you will have the refund back within 10 working days once you have submitted a written refund request within 30 days of your first purchase to [support@centrolene.com](mailto:support@centrolene.com).
